Jul 2020 – Aug 2022

Sri Chaitanya Junior Kalasala

CGPA: 4.8/10

Board of Secondary Education (SSC)

Jun 2019 – Sept 2020

Noble high school

CGPA: 9.3/ 10

Project

Web Accessibility Checker | Full-Stack Django Project

(March 2026)

- Built a web accessibility analysis tool using **Django, HTML, CSS, JavaScript, SQLite, and the WebAIM WAVE API** to evaluate website accessibility and generate detailed reports.
- Designed responsive user interfaces with visual charts to display accessibility scores, errors, and warnings, improving usability and data interpretation.

Experience

Web Developer Intern | Vault-tech Security IT Services and Consulting, Hyderabad

(July 24 – Aug 24)

- Engineered responsive, cross-browser compatible user interfaces using HTML5, CSS3, React.js, and Tailwind CSS by following component-based architecture.
- Developed reusable React components, optimized frontend performance, implemented mobile-first responsive design, and managed source code using Git..

Achievements & Extra Curricular

- Won 3rd Prize in "Infinity 2K24" React.js & Web Development Hackathon for designing and developing a responsive web application.
- Volunteered in the Campus Blood Donation Camp and donated 250 ml of blood
